For patients with dental insurance, we are happy to work with your carrier to maximize your benefit and provide you with the documentation you need to receive reimbursement for your treatment. If you have an outstanding balance to be paid for services that were granted, we will apply any and all reimbursements to said balance until it is paid in full. Please note that you, the patient, are responsible for providing accurate and updated information regarding your insurance policy (i.e. subscriber name, address, ID and group numbers, etc.)
